### About VOLTZ

*Graines Voltz has officially simplified its trade name to 'VOLTZ', marking a natural step in its international development and a desire to reinforce the clarity and modernity of its brand. This change is accompanied by a new visual identity, designed to better adapt to the international market and facilitate communication with its customers and partners.*

*VOLTZ is one of Europe's leading independent distributors of seeds and young flower and vegetable plants. Founded by Serge VOLTZ and managed by Hugo Bony, VOLTZ employs more than 500 people and has experienced strong growth since its creation in 1985. Its success is built on a very wide range of 31,000 products, unique on the European market in terms of variety diversity, aimed at professionals in short supply chains (market gardeners, horticulturists and local authorities). Its extremely rigorous organization enables it to identify, at a very early stage, the varieties that meet new consumer expectations, to ensure quality control and total traceability, and to deliver its products on a just-in-time basis. A leader in France, VOLTZ, which is driven by growing consumer demand in Europe for diverse, high-quality plants from short supply chains, aims to export its model there. Germany is the largest market after France.*

*VOLTZ is listed on Euronext Paris (ticker symbol: GRVO - FR0000065971). Graines VOLTZ shares are included in the CAC Small, CAC Mid & Small and CAC All Tradable indices.*
