### About Graines Voltz

*Graines Voltz is one of Europe's leading independent distributors of seeds and young flower and vegetable plants. Graines Voltz is a family-owned group headed by its founder Serge Voltz, Graines Voltz employs more than 600 people and grew strongly since its creation in 1985. Its success is based on a very wide range of 31,000 references, unique on the European market in terms of diversity of varieties, aimed at professionals in short circuits (market gardeners, horticulturists, nursery and local authorities).*

*An extremely rigorous organization enables it to identify varieties that meet new consumer expectations at a very early stage, to ensure total quality control and traceability and to deliver its products on a just-in-time basis.*

*As the leader in France, Graines Voltz is driven by growing consumer demand in Europe for diversified, high-quality plants from short distribution channels, and has the ambition to export its model to other countries. Germany is the largest market after France.*

*Graines Voltz is listed on Euronext Paris (stock code: GRVO - FR0000065971). Graines Voltz shares are included in the CAC Small, CAC Mid & Small and CAC All Tradable indices.*
