*Graines Voltz closes its financial year on 30 September.*

---

### **About Graines Voltz:**

*Graines Voltz is one of Europe's leading independent distributors of flower and vegetable seeds and young plants. Founded by Serge Voltz and managed by Hugo Bony, Graines Voltz employs over 600 people and has been expanding in France and Europe since its creation in 1985. What sets it apart is that it has built up a very broad range of 31,000 products, aimed at professionals in short distribution circuits (market gardeners, horticulturalists and local authorities). An extremely rigorous organization enables it to identify varieties that meet new consumer expectations at a very early stage, to ensure total quality control and traceability, and to deliver its products on a just-in-time basis.*

*Graines Voltz is listed on Euronext Paris (mnemonic code: GRVO - FR0000065971). Graines Voltz shares are included in the CAC Small, CAC Mid & Small and CAC All Tradable indices.*
